

DK5 FACESHIELD

BRAND: PAULSON

The DK5 Faceshield provides unparalleled fit and function with existing protective helmets and can be used for a variety of operational situations. The polycarbonate shield is available in either 0.150" or 0.250" thickness and provides protection against impact, splash, and fragments.

The integral rubber seal provides a tight liquid barrier at the helmet/shield interface. Every faceshield is certified to NIJ 0104.02 and meets MIL-V-43511C.
