

INVISIO LE KIT - V20/T5

BRAND: INVISIO

This INVISIO LE Kit features the V20 control unit, partnered with the T5 over-the-ear headset.

The INVISIO V20 control unit is designed for professional users with a single radio with one or two talk-groups. It is the smallest and lightest control unit available and powers from the connected radio. The INVISIO V20 is very intuitive and simple to use. The control unit is fully compatible with other INVISIO systems and offers state of the art situational awareness and integration to other communication devices.

The INVISIO T5 over-the-ear hearing protection headset is powered and controlled by an INVISIO control unit, making it easy to use and lightweight without the need of internal battery or buttons. With an on head weight of less than 360 grams, the INVISIO T5 significantly reduces the burden on the mounted or dismounted soldier and officer whilst featuring industry leading situational awareness. The T5 is available in EITHER a traditional over-the-head headband or neckband configuration.

The kit is available in TAN or BLACK.
