

INVISIO LE KIT - V20/X5

BRAND: INVISIO

This INVISIO LE Kit features the V20 control unit, partnered with the X5 in-ear headset.

The INVISIO V20 control unit is designed for professional users with a single radio with one or two talk-groups. It is the smallest and lightest control unit available and powers from the connected radio. The INVISIO V20 is very intuitive and simple to use. The control unit is fully compatible with other INVISIO systems and offers state of the art situational awareness and integration to other communication devices.

The INVISIO X5 headset is designed exclusively for INVISIO's range of advanced control units and is fundamental to the INVISIO hearing protection system. It is a dual sided in-ear hearing protection headset with state of the art external microphones for natural hear-thru and six sizes of exchangeable foam plugs for market leading hearing protection and comfort. The INVISIO X5 is the in-ear headset of choice for future soldier programs today and officers maintaining public order. The headset is fully compatible with other INVISIO systems.

The kit is available in TAN or BLACK.
