

PROJECT 7 TACTICAL ENTRY VEST

BRAND: PROJECT 7

Project 7 Tactical Armor is a revolutionary collaboration between AARDVARK and The Safariland Group. Everything about Project 7 was selected to make the final product more flexible, more athletic, lightweight, and more comfortable. Project 7 is made with only the industry's finest materials and components. The Project 7 Tactical Entry Vest features a unique flexible external yoke design, combined with special built upper arm protection. This provides an unprecedented range of motion and flexibility. Available in two closure systems: First Spear Tubes, or Safariland's patent pending One Way Velcro. Project 7 also features a flexible cummerbund design with a unique quick adjust sizing system. Available in a variety of ballistic packages. Tailor your vest to your mission profile.
